

Deadline	Deadline Accuracy	Grant Name	Funder	Purpose	Maximum Grant	Match?	Eligible Applicants	Link
01/01 and 06/01	Estimated	The Campbell Foundation	The Campbell Foundation	Outreach, education, and action programs related to water quality	\$25,000	Not specified	Nonprofit organizations	http://www.campbellfoundation.org/what-we-fund-pacific
04/10/2015	Accurate	Wildlife Conservation Society North America Program: Climate Adaptation Fund	Wildlife Conservation Society	The Wildlife Conservation Society (WCS) North America Program is dedicated to saving wildlife and wild places in North America. The WCS Climate Adaptation Fund, with funding from the Doris Duke Charitable Foundation, supports projects that demonstrate effective interventions for wildlife adaptation to climate change. Grants of \$50,000 to \$250,000 are provided to nonprofit conservation organizations for applied, on-the-ground projects focused on implementing priority conservation actions for climate adaptation at a landscape scale. The Fund prioritizes projects that manage dynamic ecological processes, landscape functionality, and species assemblages, rather than those aimed at maintaining historic conditions or individual species. Grants are provided to U.S.-based nonprofit conservation organizations for projects within the 50 states and six U.S. territories. Pre-proposal application forms are due April 10, 2015. Visit the WCS website to download the Request for Proposals.	\$250,000	1:1 match required, slight possibility of waiver	Nonprofit conservation organizations	http://www.wcsnorthamerica.org/ClimateAdaptationFund/tabid/4813/Default.aspx
04/30/15 and 08/31/15	Accurate	Patagonia Foundation	Patagonia Foundation	Grants help local groups working to protect local habitat, and take on individual battles to protect a specific stand of forest, stretch of river or indigenous wild species which are effective in raising more complicated issues – particularly those of biodiversity and ecosystem protection – in the public mind.	\$12,000	unknown	Nonprofit organizations	http://www.patagonia.com/us/patagonia.go?assetid=2942
04/30/2015	Estimated	Every Day Capacity Building Grant	National Environmental Education Program	Provides grant of up to \$5,000 for 'friends of....' groups to build their capacity to serve public lands.	\$5,000	none	'Friends of' organizations	http://publiclandseveryday.org/grants/capacity-building-grants
06/01 and 11/01 for pre-proposals	Estimated	Sierra Nevada Meadow Restoration	NFWF	Implement Sierra Meadow Restoration Business Plan. Quantifying ecosystem service benefits; building organizational capacity where restoration planning and implementation is limited; repairing meadow degradation; ensuring long-term protection: supporting land protection and deploying best management practices; garnering support of ranching community; and monitoring and documenting ecological and biological responses to meadow restoration	Not stated.	1:1 match is preferred.	Not stated	http://www.nfwf.org/sierranevada/Pages/home.aspx#.VNJAoi4Wct1

Deadline	Deadline Accuracy	Grant Name	Funder	Purpose	Maximum Grant	Match?	Eligible Applicants	Link
06/01/15 for pre-proposals	Estimated	Bring Back the Natives/More Fish	National Fish and Wildlife Foundation (NFWF)	Protect and maintain intact and healthy aquatic systems; reverse declines in the quality and quantity of aquatic habitats to improve overall health of native fish and other aquatic organisms. Sierra Nevada priorities focus on McCloud River redband trout, Eagle Lake rainbow trout, California golden trout, and Little Kern golden trout recovery.	\$25,000 to \$100,000 although grants greater than \$100,000 can be considered.	1:1 non-federal match required, 2:1 preferred.	Local, state, federal, and tribal governments and agencies, special districts, nonprofit 501(c) organizations, schools and universities.	http://www.nfwf.org/bbn/Pages/home.aspx#VNI7Jv4Wct0
06/24/2015	Accurate	Matching Awards Program	National Forest Foundation	Wildlife Habitat Improvement, Recreation, Watershed Health and Restoration, and Community-Based Forestry	\$100,000	1:1 match required	Non-federal partners, community-based organizations, Native American tribes and 501(c)(3) nonprofit organizations	http://www.nationalforests.org/conserve/grantprograms/ontheground/map/application#
06/30/2015	Estimated	Environmental Enhancement and Mitigation Program (EEMP)	CalTrans	Provide additional environmental mitigation for impacts caused by highway construction in the vicinity of recreational lands.	\$500,000	Matching funds are NOT required for EEMP grants. However, additional points will be given to applications which include other sources of funds for the proposed project.	Local, state, and federal governmental agencies and nonprofit organizations.	http://dot.ca.gov/hq/LocalPrograms/EEM/homepage.htm
07/01/2015	Estimated	North America Wetlands Conservation Act (NAWCA) Standard or Small Grants Program	US Fish and Wildlife Service	Long-term protection, restoration, and/or enhancement of wetlands and associated uplands habitats for the benefit of all wetlands-associated migratory birds.	Standard grants - over \$75,000, Small Grants under \$75,000	1:1	Contact area coordinator for more information	http://www.fws.gov/birdhabitat/Grants/NAWCA/Standard/US/index.shtm
07/15/15	Estimated	HUD Indian Community Development Block Grants	HUD	For federally recognized Indian Tribes and Tribal organizations. Several categories of funding, includes economic development activities and micro-enterprise programs	\$605,000	Not required but adds points	Federally recognized Tribes and Tribal organizations	http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/ih/grants/icdbq#3
07/15/2015	Estimated	Flood Protection Corridor Program	DWR	Implement non-structural methods to achieve a significant reduction in flood risk. Projects must also include elements that provide for (1) agricultural land preservation or (2) wildlife habitat protection or enhancement.	\$5,000,000	10%	Local government agencies, nonprofit corporations	http://www.water.ca.gov/floodmgmt/fpo/sqb/fpcp/

Deadline	Deadline Accuracy	Grant Name	Funder	Purpose	Maximum Grant	Match?	Eligible Applicants	Link
08/01/2015	Accurate	NPS Rivers and Trails Conservation Grant - TA and Facilitation Assistance	NPS	Develops and/or improves connections to parks, rivers, trails, and greenways; advances the protection and stewardship of open spaces through partnerships; expands public access to water resources and the development of water trails.	TA only	Not required, community and stakeholders must agree to participate	State or local agencies, tribes, nonprofit organizations, or citizen groups.	http://www.nps.gov/orgs/rta/apply.htm
08/01/2015	Estimated	319 (h) Nonpoint Source grants	State Water Resources Control Grant	Restore beneficial uses in impacted water bodies that have an adopted/nearly adopted Total Maximum Daily Load (TMDL) and are identified in the NPS Program Preferences. The program includes both planning and implementation grants. Eligible planning/assessment projects may complete an assessment, study, or design; may prepare studies, strategies, management plans, tools for management plan development, and similar items; fill recognized data gaps; consolidate previously completed planning work in a watershed; identify and prioritize appropriate management measures and practices, etc. Eligible implementation projects may include project-level planning, design, construction, construction management, implementation, and monitoring to implement full scale on-the-ground management measures and practices.	Planning grants: \$175,000. Implementation grants: \$750,000	25%	Local public agencies, public agencies, nonprofit organizations, federally recognized Indian Tribes, state agencies, public colleges, and federal agencies.	http://www.waterboards.ca.gov/water_issues/programs/nps/solicitation_notice.shtml
08/15/2015		Toyota TogetherGreen Fellowships and Grants	Toyota	Achieve measurable, on-the-ground conservation results (Habitat, Water, Energy). Those changes may be ecological (for example, restoration of a wetland) or behavioral	\$80,000, but avg grant is \$25,000	No	Audubon Chapters	http://www.togethergreen.org/grants/application-guidelines
08/15/2015	Estimated	Integrated Regional Water Management (IRWM) Implementation Grants	DWR	Very broad – the project must address statewide priorities and be listed in the region's IRWM Plan. The IRWM Grant Program is designed to encourage integrated regional strategies for management of water resources and to provide funding for programs and projects that support integrated water management planning and implementation.	Depends on solicitation.	General match requirement is 25% but can be waived for disadvantaged communities	Local public agencies or non-profit organizations.	http://water.ca.gov/irwm/grants/p84implementation.cfm
10/01/2015	Estimated	Habitat Conservation Fund	CA Dept. Parks and Recreation	Eligible projects: nature interpretation programs to bring urban residents into park and wildlife areas, protection of various plant and animal species, and acquisition and development of wildlife corridors and trails.	\$2,000,000	50% match required	Cities, Counties and Districts	http://www.parks.ca.gov/?page_id=21361

Deadline	Deadline Accuracy	Grant Name	Funder	Purpose	Maximum Grant	Match?	Eligible Applicants	Link
11/12/2015	Estimated	Rural Community Development Initiative	USDA	To develop the capacity and ability of private, nonprofit community-based housing and community development organizations, and low income rural communities to improve housing, community facilities, community and economic development projects in rural areas. Funding goes to an intermediary organization that provides capacity building assistance to rural community/economic development organizations.	\$250,000	1:1 cash match required. Some federal funds may be eligible.	Qualified private, nonprofit, and public (including tribal) intermediary organizations.	http://www.rurdev.usda.gov/HAD-RCDI_Grants.html
11/5/2015	Estimated	Five Star Restoration Grant Program	EPA/NFWF	Environmental education and training through projects that restore wetlands and streams. Competitive proposals should address each of the five priorities: 1)On-the-Ground Restoration and Planning Partnerships; 2)Environmental Outreach; 3)Education & Training; 4)Measurable Results; 5)Sustainability	\$20,000.	Substantial match required.	Non-profit 501(c) organizations, state government agencies, local governments, municipal governments, Indian tribes and educational institutions.	http://water.epa.gov/grants_funding/wetlands/restore/index.cfm
12/16/2015	Estimated	Community Capacity and Land Stewardship Program	National Forest Foundation	The purpose of this grant program is to provide the tools and support necessary to achieve watershed and landscape scale restoration while also furthering goals that contribute to the economic sustainability of communities. Through this grant program the National Forest Foundation will administer funds to help collaboratives and community-based organizations address their capacity building needs that further their on-the-ground watershed restoration goals.	\$24,000	No, but leverage encouraged	Nonprofit organizations	http://www.nationalforests.org/conservation/grantprograms/capacitybuilding/ccls

Deadline	Deadline Accuracy	Grant Name	Funder	Purpose	Maximum Grant	Match?	Eligible Applicants	Link
12/19/2015	Estimated	Wetlands Restoration for Greenhouse Gas Reduction Program	CA Dept of Fish and Wildlife	To support projects that reduce GHGs and provide co-benefits such as enhancing fish and wildlife habitat, protecting and improving water quality and quantity, and helping California adapt to climate change. The 14-15 Solicitation was focused on GHG emission reduction through restoration or enhancement of Delta and coastal wetlands and mountain meadow habitat. Each proposal submitted for consideration must present a conceptual model that describes how the proposed restoration or enhancement activities are expected to result in net GHG reductions. The conceptual model should describe projected emissions and/or sequestration of relevant GHGs (i.e., carbon dioxide [CO2], methane [CH4], and nitrous oxide [N2O]) and how those are anticipated to change over time following implementation of the proposed project.	not set	Not required but adds to point score	Public agencies, Recognized Tribes, and qualified nonprofit organizations	https://www.wildlife.ca.gov/Conservation/Wetlands-Restoration
12/19/2015	Estimated	EPA Brownfields Assessment and Cleanup Grants	EPA	These brownfields grants may be used to address sites contaminated by petroleum and hazardous substances, pollutants, or contaminants (including hazardous substances co-mingled with petroleum).	\$200,000	20%	State, Local governments, Tribes, Nonprofit organizations	http://www.epa.gov/brownfields/applicat.htm
ongoing	Accurate	US Partners for Fish and Wildlife Endangered Species Program	USFWS	The Partners Program provides technical and financial assistance to private landowners and Tribes who are willing to work with USFWS and other partners on a voluntary basis to help meet the habitat needs of Federal Trust Species. Through voluntary agreements the Partners program provides expert technical assistance and cost-share incentives directly to private landowners to restore fish and wildlife habitats. The Partners Program can assist with projects in all habitat types which conserve or restore native vegetation, hydrology, and soils associated with imperiled ecosystems such as longleaf pine, bottomland hardwoods, marshes, rivers and streams, or otherwise provide an important habitat requisite for a rare, declining or protected species.	reimbursement dependent on project	cost share	Private landowners and Tribes	http://www.fws.gov/partners/aboutus.html

Deadline	Deadline Accuracy	Grant Name	Funder	Purpose	Maximum Grant	Match?	Eligible Applicants	Link
ongoing	Accurate	NRCS Environmental Quality Incentives (EQIP) Program	USDA	The Natural Resources Conservation Service has a variety of programs funding wetlands and riparian projects. These programs, and the funding authorized for them through the Farm Bill change periodically. Usually they are cost-share programs focused on privately owned land, though sometimes they can be applied to the watershed in general, particularly in emergency watershed restoration circumstances.	This is cost share, depends on project	Yes, land-owner must provide remainder of project funds	Private landowners meeting EQIP criteria	http://www.nrcs.usda.gov/wps/portal/nrcs/main/ca/programs/financial/
ongoing	Accurate	Hind Foundation	Hind Foundation	Ecosystem conservation, plant and wildlife protection. Focus on implementation projects.	\$100,000	Preference for projects with most of the funding in place.	Nonprofit Organizations	http://www.hindfoundation.org/
ongoing	Accurate	Bella Vista Foundation	Bella Vista Foundation	Under the Ecosystem Restoration Grant program, the foundation focuses on protecting, restoring and revitalizing high priority watershed ecosystems in CA and OR. Priorities are promoting the sustainable management of forest and agricultural land, revitalizing streams, and restoring riparian areas, with the goal of enhancing and maintaining self-sustaining watershed ecosystems. Target watersheds in California include: The Mattole River watershed; the mid-Klamath/Scott/Shasta rivers; the McCloud tributary of the Sacramento River; and in the Sierra Nevada, the Truckee River watershed and Yuba/Bear/American rivers.	Around \$100,000	No specific match is required but the foundation strongly prefers not to be the sole or primary source of funding.	nonprofit organizations	http://www.pfs-llc.net/foundations/bella-vista-foundation
On-going. Board meets quarterly. Contact Program Officer.	Accurate	Habitat Enhancement and Restoration Program	Wildlife Conservation Board	Riparian restoration, inland wetlands, and other habitat restoration and improvement projects. Acquisition, restoration, and enhancement.	Wide range of funding, no specific limits.	Some landowner contribution required.	Nonprofit organizations [501(c)(3)], local governmental agencies, State departments and federal agencies.	https://www.wcb.ca.gov/Programs
Quarterly	Estimated	EDA Economic Assistance Programs	Dept of Commerce, EDA	Grants made under these programs leverage regional assets to support the implementation of regional economic development strategies designed to create jobs, leverage private capital, encourage economic development, and strengthen America's ability to compete in the global marketplace. Grant deadlines are quarterly.	No maximum	1:1 match required unless community is very disadvantaged	Cities, Counties, nonprofits, districts	http://www.eda.gov/funding-opportunities/
